The property comprises a large Victorian convent building which sits within attractive grounds/gardens on a site of approx. 1.5 acres. There is an additional outbuilding connected to the main building by a covered walkway/corridor. Internally there are a series of bedrooms on ground and first floor together with a laundry room. There is also a detached row of 3 garages. There are two access roads into the site from both Greenleach Lane and Broad Oak Road.

**THE OPPORTUNITY**

The property sits on a good sized site of c 1.5 acres and offers development potential subject to planning. The current planning use we understand comes under C2 residential institutions having been used for care use. Interested parties should make their own planning enquiries with the local authority or take advice from a planning consultant to confirm this and are encouraged to seek advice for any other proposed uses they may have for the site. Some potential uses for the site, subject to obtaining any necessary consents, may include:

- \* POTENTIAL CONVERSION/REFURBISHMENT TO HIGH END DWELLING
- \* SPLIT THE SITE RETAINING EXISTING BUILDING/S ON HALF WITH REMAINING HALF FOR DEVELOPMENT.
- \* RESIDENTIAL DEVELOPMENT FOR A HOUSING SCHEME
- \* CARE USE
- \* OWNER OCCUPIER FOR EDUCATION/LIVE IN FACILITIES
- \* SUPPORTED LIVING

By way of example Coda Architecture have designed a sketch scheme for 4 large detached 2 storey dwellings of c 3,000sqft each on one half of the site retaining the existing building on the other half. According to Salford Councils website the site sits outside of the Worsley Village Conservation area. There are no TPO's (Tree Preservation Orders) listed on this site on Salford Councils interactive map. The property is held Freehold under Title No MAN167468.

SITE AREA c1.16 acres (0.47 hectares)

For identification purposes only

### NASSAU WORKS, CAWDOR STREET, ECCLES, M30 0QR

The site comprises a rectangular, level plot which currently accommodates a number of redundant industrial buildings. The site is predominantly tarmac, with access gates close to the junction with Armitage Street and the junction with Vine Street. Barton Business Park, which was recently acquired by Mileway, is opposite the site and Nassau Mill Industrial Estate, which is owned by Salford City Council and comprises 7 units which total 7,337 sq/ft, is directly behind the site. There is also a high density of terraced and semi-detached residential properties nearby, with recent residential development having been undertaken nearby in the form of Bridgewater Place on the site of the former Barton Inn.

The site has been owned and occupied by Colourfast Plastics (now Americhem) since the 1980s, who produce colourants for the polymer industry. The buildings on site are typically of brick construction with pitched roof coverings.

The site may be suitable for open storage, or for employment or residential uses. A pre-application enquiry has been submitted to Salford City Council regarding a proposed residential development, and SCC concluded that *"subject to sufficient evidence which substantiates that there is no current or likely future demand for the site or building for employment purposes, the principle of residential development could be acceptable"*. A copy of the pre-application advice is available in the dataroom. A phase II ground contamination report has been prepared and is available in the dataroom.
